

Horticulture Co-op of Metro St. Louis

Professional Educational Grant 2009

The Horticulture Co-op of Greater St. Louis recognizes the efforts of individuals that strive to improve their standing in the work place and green industry. Therefore, it is the intent of this \$500.00 grant to support an individual currently working in the green industry. Those individuals who continually show a willingness to improve themselves through continuing education programs will be eligible to apply for this grant.

Eligibility: Individuals who have worked for a minimum of 2 consecutive years in the green industry.

Requirements: Develop an essay that will;

1. Address your educational experience.
2. State the length of time you have worked in the industry.
3. Address your goals as they relate to the green industry.
4. List any licenses or certifications that you have obtained.
5. Discuss your work experience and area of the industry in which you have been employed.
6. Illustrate your anticipated use of this grant.
7. Submit one letter of recommendation from a manager/supervisor who best knows you within the work environment.

This grant may be applied to cover costs of conferences, books, compact disks or classes that apply to education in the green industry. If other opportunities arise you may make a request to the president of the Hort. Co-op of Greater St. Louis to use the grant in another way.

Application must be post marked by February 21, 2009. Later post marks will not be accepted.
